## I. APPLICATION INSTRUCTIONS

### PLEASE READ ALL THE INSTRUCTIONS BEFORE FILLING OUT THIS APPLICATION!

Your application will be reviewed to ensure all required information has been provided and that the application is complete. Incomplete applications or those submitted after the application deadline will not be considered for funding.

#### GENERAL

This is an interactive form and designed to be filled out in Microsoft Word. Use the Tab key to move between fields or click directly in a text box to begin entering your information. Tab fields have been added to the first seven pages of the document to improve the navigability of the form.

#### APPLICATION CHECKLIST

- Please make sure all items listed are included with the application. The checklist signature page should be included with all other application materials.

#### APPLICANT INFORMATION

- Identify if the MPO area or HSTP region where the project is proposed to be implemented.

#### PROPOSED PROJECT

- Please be sure to identify each component of the project for which funding is being requested (i.e., This project is requesting capital funding for a new mini-van and dispatching software for same-day reservations, and operating funding to hire a driver and run the service).
- To determine the estimated annual number of trips generated, use one of the following equations which best suits your project (please note that trip is defined as each time a passenger boards):

*If estimate is based on trips per hour:*

**No. of trips per hour X hours of service operated per day X no. of days service is operated per year**

*Example: 3(trips/hour) X 13(hours/day) X 312(days/year) = 12,168 passenger trips generated per year*

*If estimate is based on trips per day:*

**No. of trips per day X no. of days service is operated per year**

*Example: 8(trips/day) X 220(days/year) = 3,005 passenger trips generated per year*

#### VEHICLE INVENTORY

- This inventory is only required for applicants that are not current 5311 or 5307 recipients.

#### PROJECT BUDGET

- Please manually total the project budget and review the required match calculations: All numbers are to be entered manually.
- The match requirement for capital projects (including mobility management) is 80% federal / 20% local.
- The match requirement for operating projects is 50% federal / 50% local of the net project cost. Revenues are strictly based on fares generated by the project. Please note that revenues are not an eligible operating expense and should not be included in the net operating cost of the project.
- For operating projects, outline the costs for the duration of the project (1-3 years). When estimating your cost over the three-year period, be sure to factor in cost escalations. If requesting funding for less than three years, please attach documentation stating how service will operate without additional grant funds.
- Please identify all 'other expenses' (under operating budget) in the space provided.
- Total Project Costs and Local Match must be entered manually (if you are not declaring use of TRCs)

#### SOURCES OF LOCAL MATCH

- Indicate all sources of local match and status. Status could be noted as secured or dependant upon grant approval

#### SCALABILITY

- Describe whether or not the project for which you are applying can be implemented on (a) a more limited scope or if it can (b) be implemented in phases. This question will help the selection committee decide on funding amounts for the projects selected.

## II. JOB ACCESS REVERSE COMMUTE GRANT APPLICATION CHECKLIST

This checklist represents all of the information and attachments you will need to submit with your application to be considered for funding and must be completed and submitted with the application. Incomplete applications and those submitted after the deadline will not be considered for funding.

1.  **Signed Job Access Reverse Commute Grant Application Checklist (THIS PAGE!)**
2.  **One single sided "8 1/2 x 11" copy of a completed Project Application.**  
Be sure that all parts of the Project Application are submitted. (Parts IV and V, Sections A-I)
3.  **Executed Resolution of the Governing Board** (sample included in Appendix A)  
\*If Board meeting schedule conflicts with application due date, Executed Resolutions will be accepted after filing period.
4.  **Letters of Support** (if applicable)

## V. PROJECT APPLICATION

### A. Applicant, Existing Services, and Service Area

1. Please provide a brief description of the applicant and its background with implementing this type of service

*The South Central IL Mass Transit District (SCT) has contracted for the past 20 years with the Illinois Department of Transportation to provide public transportation in the Illinois counties of Marion, Clinton, Washington, Jefferson, Franklin and Perry. Over the past 20 years, SCT has realized that each county within its district is unique in its own transportation needs and SCT has responded to those needs accordingly. Over the past couple of years, SCT has received an increasing number of requests for employment transportation and is striving to meet those needs.*

*SCT feels that with 20 years of experience in implementing public transportation routes, it possesses the capabilities necessary to implement the proposed new route contained in this application.*

2. Provide a brief description of the applicant's existing services.

*SCT presently provides demand response, subscription; same-day, and non-emergency medical transportation services within the towns/cities of Centralia and Salem (Marion Co.); Carlyle, Breese and Trenton (Clinton Co.); Mt. Vernon (Jefferson Co.); Benton and West Frankfort (Franklin Co.); DuQuoin (Perry Co.) and Nashville (Washington Co.). SCT also provides county-wide services within Clinton County and inter-city services in Perry County and Franklin County. SCT also transports clients for various not-for-profit agencies through service contracts.*

3. Provide a description of the service area. Attach any maps if necessary.

*Illinois counties of Marion, Clinton, Washington, Jefferson, Franklin and Perry. Refer to Attachment 1.*

**B. Proposed Project**

1. Describe the proposed project, indicating the specific service to be provided, to implement, support, or maintain transportation service. This should include how service will assist low income workers with transportation options to job sites and employment related activities or serve in a reverse commute capacity. **Be sure to identify each component of the project by the funding requested. Be sure to identify each component of the project by the funding requested.**

*SCT is requesting capital assistance for the purchase of one super medium duty vehicle to provide transportation to employment sites. Project will include transportation from Franklin County into Mt. Vernon, (Jefferson County), Illinois, for employment purposes. Jefferson County's three major employers are Continental Tire, Walgreens Distribution Center and Good Samaritan Regional Health Center. It is estimated that 5,275 individuals commute into Mt. Vernon from surrounding counties for employment. 1,500 of these individuals commute from Franklin County and SCT has had requests over the past year for a route traveling from Franklin County into Jefferson County. Based on demand, transportation will be offered to all three working shifts of these employers seven days a week. Service could be expanded to other employers based on demand.*

2. Identify the number of estimated individuals with low or limited incomes to be served and describe how this estimate was derived.

*Of Franklin County's total population of 39,018, 16.2% is below the poverty level (per the U.S. Census Bureau). There are 1,500 individuals that travel from Franklin County into Jefferson County for employment. It is estimated that, at a minimum, 243 of these individuals is below the poverty level.*

3. Identify the number and locations of employers that have been contacted to be served or how the project will increase accessibility of target population to employment / employment opportunities.

*Continental Tire, Walgreens Distribution Center and Good Samaritan Regional Health Center have been contacted and all have expressed support of this route. Each has offered to advertise the route to their respective employees.*

4. Estimate the number of one way passenger trips per year this service will generate. A trip is defined by each time an individual passenger boards.

*It is estimated that a minimum of 7,200 trips will be generated annually based on past requests for this service.*

5. Identify the service area to be covered by the project (attach maps if necessary).

*Illinois counties of Franklin and Jefferson.*

**C. Vehicle Inventory NOT APPLICABLE (SCT IS A 5311 PROVIDER)**

Describe the applicant's current paratransit vehicle inventory (attach additional pages if necessary):

*Example entries shaded in gray*

Year	Manufacturer	Type	Vehicle Identification Number (VIN)	Current Odometer Reading	No. Of Seats	ADA (Y/N)	IDOT Funded Vehicle?
2003	Braun	Mini-van	1FDX0034586L01	45,000	6	Y	N
2000	El Dorado	Med Duty	1BB01083589L18	95,000	14	Y	Y

**D. Responsiveness to Project Selection Criteria**

1. Describe how the project responds to one or more of the strategies identified in the regional HSTP. This includes service gaps, challenges of the project area, or other issues:

***The Region 11 HSTP Plan addresses several service gaps, one being the lack of transportation linking individuals to jobs outside of the typical workday of 9-5. This project will offer transportation seven days a week to residents of Franklin County traveling to employment sites in Jefferson County.***

2. Describe how the project demonstrates coordination among local jurisdictions, interested stakeholder organizations, and other agencies. Coordination can include activities such as joint planning or purchasing, sharing vehicles, dispatching, scheduling, training or maintenance, or coordinating client trips.

***SCT has met with employers in Jefferson County and all have expressed the problem of lack of transportation for many of their employees or potential employees. SCT feels that by coordinating routes with the employers' needs, it can help alleviate transportation problems for both the employers and current and potential employees.***

- a. Indicate how other entities will be involved in coordination efforts and/or the project. Letters of support can be included as attachments to the application

***Employers in Jefferson County have offered to advertise the new routes within their organizations through company newsletters, bulletin boards, new hire orientations, etc.***

3. Describe your agency's ability to manage the project, including its financial, human resources, and institutional capabilities. Please include a description of staff and years of experience.

***Since SCT has contracted with the Illinois Department of Transportation for 20 years to provide public transportation and to initiate new services such as this, it feels that the necessary capabilities are in place to manage this project. Sheila Niederhofer has been SCT's Managing Director since 2006 and is a Certified Community Transit Manager (certified through CTAA) and sits on the Board of Directors of the Illinois Public Transit Association. Since Sheila took the reins of SCT in 2006, ridership has increased by 70%.***

***Vicki Clift is the Director of Finance for SCT and has been employed by SCT for 19 years. Vicki has worked in all areas of SCT prior to becoming the Finance Director and has a good understanding of the operational and financial aspects of transit.***

4. What efforts have been undertaken to identify and obtain local funding for this project? What local funding sources have been committed to the project? (Attach documentation if necessary).

***Clients utilizing the route will purchase a monthly pass for \$50. Employers will assist in advertising the new route.***

5. Describe how this new service will be promoted / marketed to potential users.

***The service will be marketed within each major job site in coordination with each employer. The service will also be marketed through local newspapers, via SCT's website and on SCT vehicles.***

6. Briefly describe the new ideas, new technologies, innovative partnerships, creative funding sources, or other characteristics of the project that make it an innovative solution that responds to unmet transportation needs, and how the idea can be replicated elsewhere in the state.

***The major employers in the area are willing to help market the new route and realize this route***

***will benefit employees and employers alike. This concept could work anywhere in the state as long as the transit agency, employers and their employees are willing to discuss specific needs and coordinate these needs into a viable route.***

7. Describe your agency's involvement in the local transportation planning process.

***SCT attends Region 9 and Region 11 HSTP meetings and also meets with local officials at networking meetings on a regular basis.***

**I. Joint Certifications and Assurances for Grantees****Illinois Department of Transportation ("IDOT") and Federal Transit Administration ("FTA") Assistance Programs Joint Certifications and Assurances for Grantees**

Each Grantee will execute the following applicable assurances and certifications to cover all applications and government agreements that include federal capital and operating assistance. The fifteen categories of certifications and assurances are listed by roman numerals I through XV. All Grantees must make all certifications and assurances in Category I. Categories II through XIII will apply to some, but not all Grantees. The categories correspond to the following description or circumstances mandating submission of specific certifications, assurances or agreements.

The Grantee agrees to comply with all the applicable requirements of IDOT and FTA Assurance Programs Joint Certifications and Assurances for Grantees hereinafter listed.

(The Grantee may make this selection instead of individual selections below.)

**OR**

The Grantee agrees to comply with the applicable requirements of the following categories it has selected:

**The last page of the Joint Certifications and Assurances as well as the Affirmation of the Grantee's Attorney must be appropriately completed, signed and attached with this application.**

## 1. Certifications and Assurances Required of Each Grantee

### A. Authority of Grantee and Its Representatives

The authorized representative of the Grantee and legal counsel who sign these certifications, assurances, and agreements attest that both the Grantee and its authorized representative have adequate authority under state and local law and the by-laws or internal rules of the Grantee organization to:

- (1) Execute and file the applications for Federal assistance on behalf of the Grantee,
- (2) Execute and file the required certifications, assurances and agreements on behalf of the Grantee binding the Grantee; and
- (3) Execute grant agreements and cooperative agreements with FTA or IDOT on behalf of the Grantee

### B. Standard Assurances

The Grantee assures that it will comply with all applicable state & federal statutes, regulations, executive orders, FTA circulars, and other federal administrative requirements in carrying out any project supported by an FTA grant or cooperative agreement. The Grantee acknowledges that is under a continuing obligation to comply with the terms and conditions of the grant or cooperative agreement issued for its approved project with IDOT or FTA. The Grantee understands that federal laws, regulations, policies, and administrative practices might be modified from time to time and those modifications may affect project implementation. The Grantee agrees that the most recent state & Federal laws, regulations, requirements and directives will apply to the project, unless IDOT or FTA issues a written determination otherwise.

### C. Debarment, Suspension, and Other Responsibility Matters for Primary Covered Transactions

Until new federal debarment and suspension regulations are promulgated that discontinue the current requirement for the Debarment and Suspension Certification and in accordance with U.S. Department of Transportation (U.S. DOT) regulations on Government wide Debarment and Suspension (Nonprocurement) at 49 CFR Part 29.510, the Grantee certifies to the best of its knowledge and belief, that it and its principals:

- (1) Are not presently debarred, suspended, proposed for debarment declared ineligible, or voluntarily excluded from covered transactions by any federal department or agency;
- (2) Have not within a three year period preceding this Certification been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction; violation of federal or state antitrust statutes; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
- (3) Are not presently indicted for or otherwise criminally or by civil action by a governmental entity (federal, state or local) with commission of any of the offenses listed in paragraph (2) of the certification; and,
- (4) Have not within a three year period preceding this Agreement had one or more public transactions (Federal, state, or local) terminated for cause or default.

The Grantee certifies that if it becomes aware of any later information that contradicts the statements in paragraphs (1) through (4) above, it will promptly inform IDOT. Should the Grantee be unable to certify the statements set forth paragraphs (1) through (4) above, it shall so acknowledge with its signature and provide a written explanation to IDOT.

### D. Drug-Free Workplace Certification

Until new U.S. DOT Drug-Free Workplace regulations that rescind the requirements for a Drug-Free Workplace certification are promulgated, and in accordance with Illinois and U.S. DOT regulations on Drug-

Free Workplace Requirements (Grants) at 30 ILCS 580/1 *et seq.* and 49 CFR Part 29 at Subpart F, as amended by 41 U.S.C. Section 702 the Grantee certifies that it will provide a drug-free workplace by:

- (1) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the Grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
- (2) Establishing an ongoing drug-free awareness program to inform employees about:
  - (a) The dangers of drug abuse in the workplace
  - (b) The Grantee's policy of maintaining a drug-free workplace;
  - (c) Any available drug counseling, rehabilitation, and employee assistance programs; and,
  - (d) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace
- (3) Making it a requirement that each employee to be engaged in the performance of the grant or cooperative agreement be given a copy of the statement required by paragraph (1).
- (4) Notifying the employee in the statement required by paragraph (1) that, as a condition of employment financed with federal and state assistance provided by the grant or cooperative agreement, the employee will:
  - (a) Abide by the terms of the statement, and
  - (b) Notify the employer in writing of her or her conviction of a criminal drug statute occurring in the workplace no later than 5 calendar days after such conviction.
- (5) Notifying IDOT in writing, within 10 calendar days after receiving notice under paragraph (4)(b) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to ever project officer or other designee on whose project activity the convicted employee was working. Notice shall include the identification number(s) of each affected grant or cooperative agreement.
- (6) Taking one of the following actions, within 30 calendar days of receiving notice number paragraph (4)(b), with respect to any employee who is so convicted:
  - (a) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
  - (b) Requiring such employee to participate satisfactorily in drug abuse assistance or rehabilitation program approved for such purposes by federal, state or local health law enforcement, or other appropriate agency.
  - (c) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (1), (2), (3), (4), (5), and (6). The Grantee has or will provide to IDOT a list identifying its headquarters location and each workplace it maintains in which project activities supported by IDOT are conducted.

#### *E. Drug-Free Workplace Certification*

If required, the Grantee assures that each project application submitted to IDOT for assistance has been or will be submitted, as required by each state, for intergovernmental review to the appropriate state and local agencies. Specifically, the Grantee assures that it has fulfilled or will fulfill the obligations imposed on FTA by U.S. DOT regulations, "Intergovernmental Review of Department of Transportation Programs and Activities: 49 CFR Part 17.

#### *F. Nondiscrimination Assurance*

In accordance with 49 U.S. C. Section 5332, Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C. Section 2000d, and U.S. DOT regulations, "Nondiscrimination in Federally Assisted Programs of the Department of Transportation – Effectuation of Title VI of the Civil Rights Act," 49CFR Part 21.7, the Grantee assures that it will comply with all requirements pursuant to 49 CFR Part 21; FTA Circular 4702.1, "Title VI Program Guidelines for Federal Transit Administration Recipients", and other applicable directives so that no person in the United States, on the bases of race, color, national origin, creed, sex or age will be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination in any program or activity (particularly in the level and quality of mass transportation services and mass transportation related benefits) for which the Grantee receives federal financial assistance from the U.S. DOT or the FTA.

The Grantee assures that the project or program will be conducted, property acquisitions will be undertaken, and project equipment will be operated in compliance with all requirements of 49 CFR Part 21 and 49 U.S. C. Section 5332. The Grantee understands that this assurance extends to its entire facility and to equipment operated in connection with the Project.

The Grantee assures that it will take appropriate action to ensure that any transferee receiving property financed with federal assistance derived from U.S. DOT for FTA will comply with the provisions of 49 CFR Part 21 and 49 U.S.C. Section 5332. As required by 49 CFR Part 21.7(a)(2), the Grantee will include in each third party contract, subgrant, or sub-agreement appropriate clauses to impose the requirements of 49 CFR Part 21, and 49 U.S.C. Section 5332; and include appropriate provisions imposing those requirements in deeds and instruments recording the transfer of real property, structures, improvements.

The grantee assures that it will promptly take the necessary actions to effectuate this assurance. In particular, the Grantee will notify the public that complaints pertaining to discrimination in the provision of mass transportation – related services or benefits may be filed with U.S. DOT or FTA. Upon request by U.S. DOT or FTA, the Grantee assures that it will make such changes in its 49 U.S.C Section 5332 and Title VI implementing procedures as U.S. DOT or FTA may request.

*G. Assurances of Nondiscrimination on the Basis of Disability*

As required by 49 U.S. C. 5332 and in accordance with U.S. DOT regulations, "Nondiscrimination on the Basis of Handicap in Programs and Activities Receiving or Benefiting from Federal Financial Assistance," 49CFR Part 29, the Grantee assures that, as a condition to the approval or extension of any federal financial assistance from FTA or U.S. DOT to construct any facility, obtain any rolling stock or other equipment, undertake studies, conduct research, or to participate in or obtain any benefit from any program administered by FTA or IDOT, no otherwise qualified person with a disability shall be solely because of that disability, excluded from participation in denied the benefits of, or otherwise subjected to discrimination in any program or activity receiving or benefiting from federal financial assistance administered by the FTA or IDOT or any entity within U.S. DOT.

Specifically the Grantee assures it will implement any program or operate any facility so assisted in compliance with all applicable requirements implied by U.S. DOT regulations implementing the Rehabilitation Act of 1973, as amended, 29 U.S. C. Section 794 et seq., and the Americans with Disabilities Act of 1990, as amended, 42 U.S.C. Section 12101 et seq. and implementing U.S. DOT regulations, 49 CFR parts 27, 37 and 38, as well as all applicable regulations and directives issued in accordance thereto by other federal departments or agencies.

*H. Procurement Compliance*

The grantee certifies that its procurements and procurement system that involved FTA assistance will comply with all applicable requirements imposed by federal and state laws, executive orders, or regulations and FTA directives (including the requirements of FTA circular 4220.1E, "Third Party Contracting Guidelines," including any revisions thereto) and other requirements FTA may issue and any revisions thereto. The Grantee certifies that it will include in its contracts financed in whole or in part with FTA assistance all clauses required by federal and state laws, executive orders, or regulations, and will ensure that each subrecipient and contractor will also include in its subagreements and contracts financed in whole or in part with FTA assistance all applicable clauses required by federal laws, executive orders, or regulations.

Section 5309 note, to finance the cost of leasing any capital asset until it undertakes calculations demonstrating that it is more cost-effective to lease the capital asset than to purchase or construct similar assets;
- (2) It will complete these calculations before entering into the lease or before receiving a capital grant for the asset, whichever is later; and
- (3) It will not enter into a capital lease for which FTA can only provide incremental funding unless it has the financial capacity to meet its future obligations under the lease in the event federal assistance is not available for capital projects in subsequent years.

**C. Certifications Required for Sole Purchase of Associated Capital Maintenance Item**

As required by 49 U.S.C. Section 5325(c), to the extent that the Grantee procures an associated capital maintenance item under the authority of 49 U.S.C. Section 5307(b)(1), the Grantee certifies that it will use competition to procure an associated capital maintenance item unless the manufacturer or supplier of that item is the only source for the item and the price of the item is no more than the price similar customers pay for the item, and maintain sufficient records pertaining to each such procurement on file easily retrievable for FTA or IDOT inspection.

**D. Certification Required for Clean Fuels Program**

As required by 49 U.S.C. Section 5308 (c)(2), the Grantee certifies that, in connection with any application for assistance authorized for the clean Fuels Formula Program, vehicles purchased with grant funds made available for 49 U.S.C. Section 5308 will be operated only with clean fuels.

**14. Certifications and Assurances for the Elderly and Persons with Disabilities Program**

Based on its own knowledge the Grantee, administering the Elderly and Persons with Disabilities Program authorized by 49 U.S.C. Section 5310, certifies and assures that the following requirements and conditions will be fulfilled:

- A. It will not enter into a capital lease for which FTA can only provide incremental funding unless it has the financial capacity to meet its future obligations under the lease in the event federal assistance is not available for capital projects in subsequent years.
- B. The Grantee assures that it either is recognized under state law as private nonprofit organization with the legal capability to contract with the state to carry out the proposed project, or is public body that has met the statutory requirements to receive federal assistance authorized for 49 U.S.C. Section 5310.
- C. The Grantee application for 49 U.S.C. Section 5310 assistance contains information for which the state concludes that the transit service provided or offered to be provided by existing public or private transit operators is unavailable, insufficient, or inappropriate to meet the special needs of the elderly and persons with disabilities.
- D. The Grantee assures that sufficient non-federal funds have been or will be committed to provide the required local share.

- E. The Grantee has, or will have by the time of delivery, sufficient funds to operate and maintain the vehicles and equipment purchased with federal assistance awarded for this project.
- F. The Grantee has, to the maximum degree feasible, coordinated with other transportation providers and users, including social service agencies authorized to purchase transit service, and have provided an opportunity for a public hearing in connection with any capital assistance.
- G. The Grantee is in compliance with all applicable civil rights requirements, and has signed the Nondiscrimination Assurance.
- H. The Grantee will comply with applicable requirements of U.S. DOT regulations on participation of disadvantaged business enterprises in U.S. DOT programs.
- I. The Grantee will comply with all existing federal requirements regarding transportation of the elderly and persons with disabilities. The Grantee has provided to the state an Assurance of Nondiscrimination on the Basis of Disability, as set forth in the Certifications and Assurances required of each Grantee for FTA assistance. If non-accessible vehicles are being purchased for use by a public entity in demand responsive service for the general public, the Grantee will provide a "Certification of Equivalent Service," which states that the public entity's demand responsive service offered to persons with disabilities, including persons who use wheelchairs, meets the standard of equivalent service set forth in 40 CFR Part 37.77.
- J. The Grantee will comply with the transit employee protective provisions of 49 U.S.C. Section 5333(b).
- K. The Grantee will comply with 49 CFR Part 604 in the provision of any charter service provided with equipment or facilities acquired with FTA funds.
- L. The Grantee has certified to the state that it will comply with applicable provisions of 49 CFR Part 605 and 20 ILCS 2705/49.19(6) pertaining to school bus operations.
- M. Unless otherwise noted, each of the Grantee's projects qualifies for a categorical exclusion and does not require further environmental approvals, as described in the joint FHWA/FTA regulations, "Environmental Impact and Related Procedures," at 23 CFR Part 771.117. The Grantee certifies that financial assistance will not be provided for any project that does not qualify for a categorical exclusion described in 23 CFR Part 771.117(c) until FTA has made the required environmental finding. The Grantee further certifies that no financial assistance will be provided for project requiring a conformity finding in accordance with the Environmental Protection Agency's Clean Air Conformity regulations at 40 CFR Parts 51 and 93, until FTA makes the required conformity finding.
- N. The Grantee has submitted (or will submit) all applicable certifications and assurances currently required, including, but not limited to: a certification that its procurements and procurement system will comply with all applicable requirements imposed by federal laws, executive orders, or regulations and requirements of FTA Circular 4220.1D, "Third Party Contracting Requirements," and other implementing requirements FTA may issue; a certification that its project provides for the participation of private mass transportation companies to the maximum extent feasible; a certification that it has paid or will pay just compensation under state or local law to each private mass transportation company for its franchise or property acquired under the project, a non-procurement suspension and debarment certification, a bus testing certification for new models; a pre-award and post-delivery review certification, and a lobbying certification for each application exceeding \$100,000.
- O. The Grantee recognizes FTA's and IDOT's authority to conduct audits to verify compliance with the foregoing requirements and stipulations.

#### 15. Certifications and Assurances for the Nonurbanized Area Formula Program

The Grantee administering the Nonurbanized Area Formula Program authorized by 49 U.S.C. Section 5311 certifies and assures that the following requirements and conditions will be fulfilled:

- A. The Grantee will have necessary legal, financial, and managerial capability to apply for, receive and disburse federal assistance authorized for 49 U.S.C. Section 5311; and to implement and manage the project.
- B. The Grantee assures that sufficient non-federal I funds have been or will be committed to provide the required local share.
- C. The Grantee has, or will have by the time of delivery, sufficient funds to operate and maintain the vehicles and equipment purchased with federal assistance authorized for this project.
- D. The Grantee has, to the maximum extent feasible, coordinated with other transportation providers and users, including social service agencies authorized to purchase transit service.
- E. The Grantee is in compliance with all applicable civil rights requirements, and has signed the Nondiscrimination Assurance.

- F. The Grantee will comply with applicable requirements of U.S. DOT regulations on participation of disadvantaged business enterprise in U.S. DOT programs.
- G. The Grantee will comply with all existing federal requirements regarding transportation of elderly persons and persons with disabilities. The Grantee has provided to the IDOT an Assurances of Nondiscrimination on the Basis of Disability, as set forth in the Certifications and Assurances required for each Grantee for FTA assistance in Category 1 of this document. If non-accessible vehicles are being purchased for use by a public entity in demand responsive service for the general public, the state will obtain from the Grantee a "Certification of Equivalent Service," which states that the public entity's demand responsive service offered to persons with disabilities, including persons who use wheelchairs, meets the standards of equivalent service set forth in 40 CFR Part 37.77c.
- H. The Grantee has complied with the transit employee protective provisions of 49 U.S.C. Section 5333(b), by one of the following actions: (1) signing the Special Warranty for the Nonurbanized Area Formula Program, (2) agreeing to alternative comparable arrangements approved by the Department of Labor (DOL), or (3) obtaining a waiver from DOL, and the state has certified the Grantee's compliance to DOL.
- I. The Grantee has certified to the state that it will comply with 49 CFR 604 in the provision of any charter service provided with equipment or facilities acquired with FTA assistance, and will also comply with applicable provisions 49 CFR Part 605 pertaining to school transportation operations. (See Category VII, "Charter Bus Agreement" and Category VIII, "School Bus Agreement.")
- J. The Grantee has certified to the state that it will comply with 49 CFR 604 in the provision of any charter service provided with equipment or facilities acquired with FTA assistance, and will also comply with applicable provisions 49 CFR Part 605 pertaining to school transportation operations. (See Category VII, "Charter Bus Agreement" and Category VIII, "School Bus Agreement.")
- K. Unless otherwise noted, each of the Grantee's projects qualifies for a categorical exclusion and does not require further environmental approvals, as described in the joint FHWA/FTA regulations, "Environmental Impact and Related Procedures," at 23 CFR Part 771.117(f). The Grantee further agrees that no financial assistance will be provided for a project requiring a conformity finding in accordance with the Environmental Protection Agency's Clean Air Conformity regulations at 40 CFR Parts 51 and 93, until FTA makes the required conformity final.
- L. The Grantee has submitted (or will submit) all applicable certifications and assurances currently required, including but not limited to: a certification that its procurements and procurement system will comply with all applicable requirements imposed by federal laws, executive orders, or regulations and requirements of FTA Circular 4220.1D, "Third Party Contracting Requirements," and other implementing requirements FTA may issue; a certification that its project provides for the participation of private mass transportation companies to the maximum extent feasible; a certification that it has paid or will pay just compensation under state or local law to each private mass transportation company for its franchise or property acquired under the project; a non-procurement suspension and debarment certification, a bus testing certification for new bus models, a pre-award and post-delivery review certification, a lobbying certification for each application exceeding \$100,000, and if required by FTA, an anti-drug program certification and an alcohol testing certification, and the certification required for a project involving interest or other financial costs.
- M. The Grantee recognizes FTA's and IDOT's authority to conduct audits to verify compliance with the foregoing requirements and stipulations.

RESOLUTION 1-28-10-1

Resolution authorizing application for Public Transportation Financial Assistance under Section 5316 of the Federal Transit Act of 1991, as amended (49 U.S.C. 5311).

WHEREAS, the provision or enhancement of public transit or specialized transportation service is essential to the transportation of persons with disabilities; and

WHEREAS, Section 5316 of the Federal Transit Act of 1991, as amended (49 U.S.C. 5311), makes funds available to help offset certain eligible capital or operating expenses; and

WHEREAS, grants for said funds will impose certain obligations upon the recipient, including the provision by it of the local share of funds necessary to cover costs not covered by funds provided under Section 5316 of the Federal Transit Act of 1991, as amended (49 U.S.C. 5311).

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BOARD OF SOUTH CENTRAL ILLINOIS MASS TRANSIT DISTRICT:

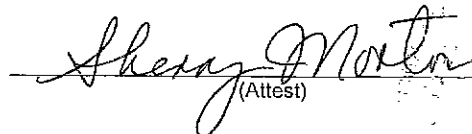

- Section 1. That an application be made to the Division of Public and Intermodal Transportation, Department of Transportation, State of Illinois, for a financial assistance grant under Section 5316 of the Federal Transit Act of 1991, as amended (49 U.S.C. 5311), for the purpose of off-setting a portion of Job Access Reverse Commute grant assistance program.
- Section 2. That while participating in said assistance program the South Central Illinois Mass Transit District will provide all required local matching funds or will request the use of State of Illinois Toll Revenue Credits
- Section 3. That the Managing Director of the South Central Illinois Mass Transit District is hereby authorized and directed to execute and file on behalf of the South Central Illinois Mass Transit District such application.
- Section 4. That the Managing Director of the South Central Illinois Mass Transit District is authorized to furnish such additional information as may be required by the Illinois Department of Transportation and the Federal Transit Administration in connection with the aforesaid application for said grant.
- Section 5. That the Managing Director of the South Central Illinois Mass Transit District is hereby authorized and directed to execute and file on behalf of the South Central Illinois Mass Transit District all required Grant Agreements with the Illinois Department of Transportation, in order to obtain grant assistance under the provisions of the Section 5316 of the Federal Transit Act of 1991, as amended (49 U.S.C. 5311).
- Section 6. That the Managing Director of the South Central Illinois Mass Transit District is hereby authorized to provide such information and to file such documents as may be required to perform the Grant Agreement and to receive the grant.

### D. Map of Human Services Transportation Planning Regions

## E. Definitions

The following definitions are provided as they relate to the Illinois Department of Transportation's implementation of the Job Access Reverse Commute Program:

1. *Accessible Taxi:* An accessible taxi is a vehicle that is used by a private provider of on-demand transportation service to the public that is regulated and licensed for such use by the municipality, county or other government entity. An accessible taxi is one which has the capacity to accommodate a passenger who uses a "common wheelchair" as defined under 49 CFR 37.3, at a minimum, while remaining in his/her personal mobility device inside the vehicle, and meets the same requirements for lifts, ramps and securement systems specified in 49 CFR part 38, subpart B.
2. *Americans with Disabilities Act:* Public Law 336 of the 101st Congress, enacted July 26, 1990. The ADA prohibits discrimination and ensures opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation.
3. *Competitive Selection Process:* A process to choose which projects will be funded based on standard evaluation criteria applied to each project. Projects may not be guaranteed funding year to year. As the Designated Recipient of FTA funds, the process is administered by IDOT for small urban and nonurbanized areas in the State of Illinois. Project selection and ranking will be conducted by a State Oversight Committee. The projects selected must be derived from a Coordinated Public Transit-Human Services Transportation Plan.
4. *Coordinated Public Transit-Human Services Transportation Plan:* A locally developed plan that identifies the transportation needs of individuals with disabilities, older adults, and people with low incomes, provides strategies for meeting those local needs, and prioritizes transportation services for funding and implementation. The rural plan must include an area no smaller than a county. All Job Access Reverse Commute projects must be derived from these locally developed plans.
5. *Coordinated Public Transit-Human Services Transportation Plan:* A locally developed plan that identifies the transportation needs of individuals with disabilities, older adults, and people with low incomes, provides strategies for meeting those local needs, and prioritizes transportation services for funding and implementation. The rural plan must include an area no smaller than a county. All Job Access Reverse Commute projects must be derived from these locally developed plans.
6. *Designated Recipient:* In nonurbanized areas and urbanized areas with a population of less than 200,000, the recipient is the State agency designated by the Governor to receive and apportion amounts under JARC and Job Access Reverse Commute. In the State of Illinois, IDOT's Division of Public and Intermodal Transportation is the designated recipient.
7. *Eligible Subrecipients:* For purposes of the Job Access Reverse Commute Program, eligible sub recipients must be an existing Section 5307 designated recipient or Section 5311 grantee. For nonurbanized areas with no Section 5311 grantee, IDOT will consider new applicants
8. *Fixed Route Service:* Designated public transportation service in which a vehicle is operated along a prescribed route according to a fixed published schedule.
9. *Grantee:* An eligible agency, which submitted, and received approval to receive funding for a JARC or Job Access Reverse Commute project.
10. *Individual with a Disability:* The term "individual with a disability" means an individual who, because of illness, injury, age, congenital malfunction, or other incapacity or temporary or permanent disability (including an individual who is a wheelchair user or has semi-ambulatory capability), cannot use effectively, without special facilities, planning, or design, public transportation service or a public transportation services.

11. *Mobility Management*: Eligible capital expenses consisting of short-range planning and management activities and projects for improving coordination among public transportation and other transportation-service providers. Mobility management does not include the day-to-day operation of public transportation services.
12. *Nonurbanized Areas*: A rural area with a population density of less than 500 people per square mile or small urban area with a population of less than 50,000 people.
13. *Paratransit*: Comparable transportation service required by the ADA for individuals with disabilities who are unable to use fixed route transportation systems.
14. *Pass-Thru Recipient*: An entity participating in a Job Access Reverse Commute project that would receive Job Access Reverse Commute funds via pass thru from an eligible subrecipient, which would be responsible for ensuring that the pass-thru recipients comply with all State and Federal requirements required under the Job Access Reverse Commute Program.
15. *Program of Projects*: A list of projects to be funded in a grant application submitted to FTA by a designated recipient. The program of projects lists the recipients and indicates whether they are private non-profit agencies, public bodies, or private providers of transportation service, and designates the areas served (including rural counties). In addition, the program of projects includes a brief description of the projects, total project cost, and Federal share for each project.
16. *Safe, Accountable, Flexible, And Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU)*: The federal transportation authorization bill that was signed into law in August 2005.
17. *Section 5316 or Job Access Reverse Commute*: The Job Access Reverse Commute initiative as described in SAFETEA-LU
18. *Small Urbanized Areas*: An area with a population between 50,000 and 200,000.
19. *State Transportation Improvement Program (STIP)*: A statewide document that includes all projects to be implemented within a four year period with federal funds.
20. *Transportation Improvement Program (TIP)*: In urbanized areas, a local approved short range transportation plan that reflects the program of publicly funded transportation improvements for the Metropolitan Planning Organization region.
21. *Urbanized Area (UZA)*: An area defined by the U.S. Census Bureau with a population of 50,000 or greater and a population density of at least 1,000 people per square mile in a central city and 500 per square mile in the surrounding area.
